

No matter the age, our parish community embraces and serves everyone when we join together in sharing the importance of Catholic faith in our lives...

Exciting Times at St. Joseph's Church

This is an exciting time for our parish and with thoughtful and careful planning, we can secure our finances by retiring the remaining debt and unite our parish with educational facilities on the new campus. Imagine the possibilities!

New and Updated Information

Plan to attend our Town Hall Informational Meeting to review new information about our current facilities debt. In addition, we will review the updated size, scope and cost estimate to create an education center for the children and youth in our Catholic school and Faith Formation programs.

***Town Hall Presentation / Dialogue Meeting
Wednesday Evening June 4th ~ 7:00 –8:45 p.m.
~ St. Joseph's Social Hall ~***

Free Child Care will be available in the Nursery - Dessert will be served!

Why Another Town Hall Meeting?

Our last town hall meeting was in the Fall of 2006. During the past year and a half, the information collected during those meetings has been used as a tool to work to reduce the remaining facilities debt, to fine tune the proposed education center plans and to reduce costs. The purpose of the Town Hall meeting on June 4th is to share updated information on our progress and what the next steps are as we move forward. Leave your checkbook at home. This is not a meeting to collect pledges.

Your comments and reactions are the greatest gift you can offer!

Why Should I Attend?

Come to learn more information as we imagine the possibilities and discover our connections to our faith and parish. Your input is needed! Please pray for our parish as we work to secure and grow our future.

*"We plan for generations we will never know...
and plant trees under whose shade we will never sit."*
